

# Logistics Readiness Center

## Plans and Operations

The Joint Base Myer - Henderson Hall (JBM-HH), Logistics Readiness Center (LRC), Plans and Operations (P&O) section is a team of highly dedicated specialist whose primary mission is to plan, coordinate, and assist in the development, review, and analysis of logistics portions pertaining to contingency, plans, operations, ceremonies, and special events for the installation.

The P&O section coordinates and liaisons for all LRC functions  
(Transportation, Supply/Services, & Plans & Operations)

in support of the Garrison Commander, primarily through timely request routed through the Directorate of Plans, Training, Mobilization, and Security (DPTMS), JBM-HH via the JBM-HH DPTMS Request for Support Form. Request Forms can be acquired from DPTMS at 703-696-3290, or the LRC Operations Specialist at 703-696-7069.
